## Acknowledgments

What you see here tonight is the result of many months of hard work, not just by the people on stage, but also by the many people who work behind the scenes. This show would not be possible without the commitment of everyone involved – backstage crew, ticket outlets and co-ordinators (Breda, Maureen and Patsy take a bow!), front of house team, Sixmilebridge G.A.A. Club (Christy and Syl you did so much) and many, many more. We would also like to thank most sincerely all of those who have contributed of their valuable time and efforts, but who choose not to share our limelight. You know who you are and so do we. Thank you.

**It simply must be acknowledged....**that year after year our audiences are dazzled by the ever more elaborate costumes that our actors, singers and dancers wear on stage. These beautiful & intricate costumes that you see before you year after year are designed & painstakingly sewn together by an incredibly talented & dedicated lady, Noeleen Murphy. In the weeks & months running up to opening night each year, Noeleen can be found surrounded by miles of fabric, sequins, buttons, pins & ribbons until well into the wee small hours. She then works tirelessly backstage (alongside the rest of our fabulous production team!) each night, but has to be physically dragged - almost kicking and screaming - to accept her applause & take a bow on stage on the final night. From all of the cast & crew, thank you Noeleen!
